

# Redemptorist Associates IT News

## June 7, 2018

### New website: oldassociates.net

- The site is currently under construction. I hope to have it fully functional by June 27, 2018 - but you can take a peek now
- Will include:
  - Calendar: meeting dates, events, Redemptorist feasts and memorials
  - News: Events coordinated by OLD Associates – e.g. June 21<sup>st</sup> “Feeding the Hungry” sandwich making
  - Links to important Redemptorist resources – e.g. cssr.net
  - Recorded Mass homilies
  - Other items – as suggested, appropriate and needed

### New Redemptorist Associates **Dropbox** Account with a sharable “OLD Associates” Folder

- Currently the “OLD Associates” folder contains three subfolders (currently 95 items in three folders / 29 Megabytes)
  - PIM (Partners in Mission – Foundation/Formation Lay Associate draft documents provided by Fr. Greg May – our Provincial coordinator)
  - June 7 2018 meeting handouts
  - Anne Walsh articles ( “Charism” and her Doctor of Ministry dissertation on Lay Redemptorists – in particular LMMHR )
- If you already have a Dropbox just send me an email at [john@davenport.net](mailto:john@davenport.net). I'll authorize the shared folder. You'll then receive an email from Dropbox with instructions on how to get the shared folder to appear in your account.
- If you don't have a Dropbox account and would like a free 2GB one:
  - Send me an email and I'll pass along the request to Dropbox. (This helps me to increase my “free” Dropbox allotment by 0.6 GB.) You'll then receive an email on how to set up an account.
  - **Or** set one up yourself directly by going to [dropbox.com](https://dropbox.com) and following the instructions.
  - If you download Dropbox on your PC, the folder will automatically update the folder on your PC with the latest additions
